In-House Dental Plan

Dr. Thomas recognizes there is a need in our community to offer affordable solutions to our patients who do not have dental insurance. Our In-House Dental Plan hereinafter referred to as "the plan" enables patients to get the care they need at affordable prices.

What's included in the annual plan:

- Two dental cleanings - prophylaxis
- Two oral exams
- Digital bitewing x-rays
- Two fluoride treatments up through age 14

In addition to the annual plan outlined above, patients will receive:

- 10% discount on all restorative services
- 10% discount on any additional preventive or emergent services needed

Terms of Membership:

Plan membership will become effective upon enrolling with no wait period. It is the sole responsibility of the patient to schedule both preventive appointments within a calendar year. Payment for services are made in two installments of \$150.00 each due at the time of appointment. New patients over age 22 pay \$50 more on first visit only for a comprehensive visit. Appointments are not transferrable to another patient or extended beyond each calendar year. If less than one business day notice is given for cancellations, only one reappointment will be permitted for that calendar year under this discounted plan payment of \$150 per visit. Two preventive visits per calendar year must be completed to receive the plan charge of \$150 per visit, except for those patients whose first visit is Jun – Dec in their first year only. If patient terminates this plan, usual and customary charges will apply on future services.

Program Exclusions and Limitations:

Our membership is NOT a dental insurance plan, and can only be used at Dr. Thomas's office in Brentwood, TN. The plan cannot be combined with any other discount offer, coupon, insurance or outside financing plan such as CareCredit. The plan cannot be used for treatment, which in the sole opinion of Dr. Thomas, lies outside the realm of his expertise. The plan cannot be used for referrals to specialists and is not transferrable for discounts at a specialist's office. It cannot be used for costs of dental care which is covered under automobile or medical insurance. Payment for restorative services are due when service is rendered, unless prior arrangements for established patients are made and approved.
